Dear Judge Karas:

As discussed at today's conference, the parties have agreed that defendant Tyrell Simon's conditions of supervised release should be modified in connection with Simon's admission to certain violations and adjournment of sentencing to February 15, 2022. The parties accordingly request that the Court so-order the following condition of supervised release with respect to Simon:

During this time, the offender shall remain at his place of residence with the exception of employment, religious, medical, legal and other appointment/activities approved in advance by the probation officer. The method of electronic monitoring equipment shall be determined and approved at the discretion of the Probation Office. At the direction of the probation officer, the offender shall wear an electronic monitoring device and follow electronic monitoring procedures specified by the probation officer. Home confinement shall commence on a date to be determined by the probation officer. The offender shall pay the costs of home confinement on a self-payment or co-payment basis as directed by the probation officer.

So Ordered.
